

CALDER COMMITTEE GETS DATA ON COAL

Offices of National Association Visited and Records Placed Under Subpoena.

WASHINGTON, Dec. 20.—Records in the headquarters here of the National Coal Association have been placed under subpoena by the Senate Committee on Reconstruction and will be brought before the committee in open session tomorrow. It was announced today by Senator Calder of New York, chairman of the committee.

Agents of the Senate organization, led by F. P. Miller, descended upon the association headquarters Saturday and began an examination of the records, which lasted until last night. The agents placed under subpoena a large amount of correspondence and other matter.

U. M. A. Morrow, Vice President of the Coal Association, said there had been no "raid," but representatives of the committee had been given the keys to the office and had made copies of certain correspondence for the committee.

SINGER LEAVES OPERA CO.

Mrs. Ganna Walska Quits on Eve of Debut in Chicago.

Mrs. Ganna Walska, noted Polish opera singer, who last fall became the bride of one of New York's richest bachelors, Alexander Smith Cochran, and who was to have appeared in the title role in "Zaza" tomorrow night with the Chicago Opera Company, suddenly altered her plans and returned yesterday to her home, No. 191 East 94th Street.

The singer remains silent as to her reasons for this last change in her program. She is accompanied by her husband. Mr. Cochran still retains his bachelor apartment at No. 820 Fifth Avenue.

The reduction is made possible through the Standard Purveyors, Inc., which will do the buying for the society. An effort is being made to have other restaurants join in the revision downward.

COAL CHARGES DISMISSED.

Edison Company and Others Escape From Third Indictment.

Judge Julius Mayer today sustained the demurrer of the Edison Coal Company, Inc., the B. J. Lynch Company, Inc., Walter F. Wells and Harry P. Wood, and dismissed the indictments against them for alleged violation of Section 4 of the Lever Act in the misuse of priority orders for the transportation of coal in violation of Interstate Commerce Commission regulations.

Judge Mayer says that Section 4 does not prohibit any such practice. This makes the third indictment which has been dismissed in the case of the defendants. Of the others, one charged profiteering and the other hoarding.
